### REVENUE AND EXPENSES 2021

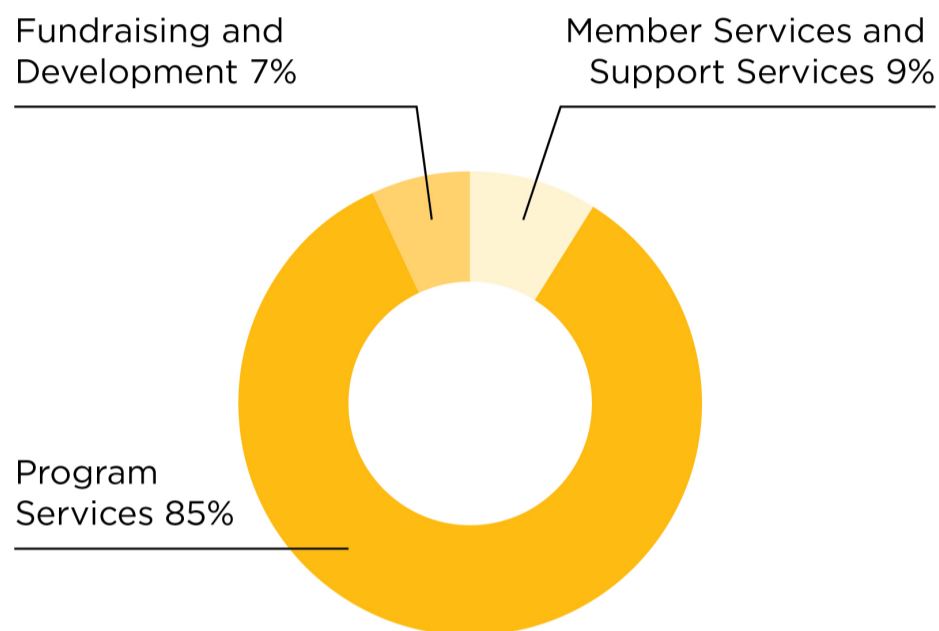

Similar to the prior year, 2021 was a challenging year for the AACR due to the continued global pandemic and the resulting economic uncertainty. As outlined below, the impact of COVID-19 on AACR programs and services resulted in declines in both operating revenues and expenses. However, due to responsible financial oversight and prudent risk management strategies, the AACR is projected to

## AACR ANNUAL REPORT 2021

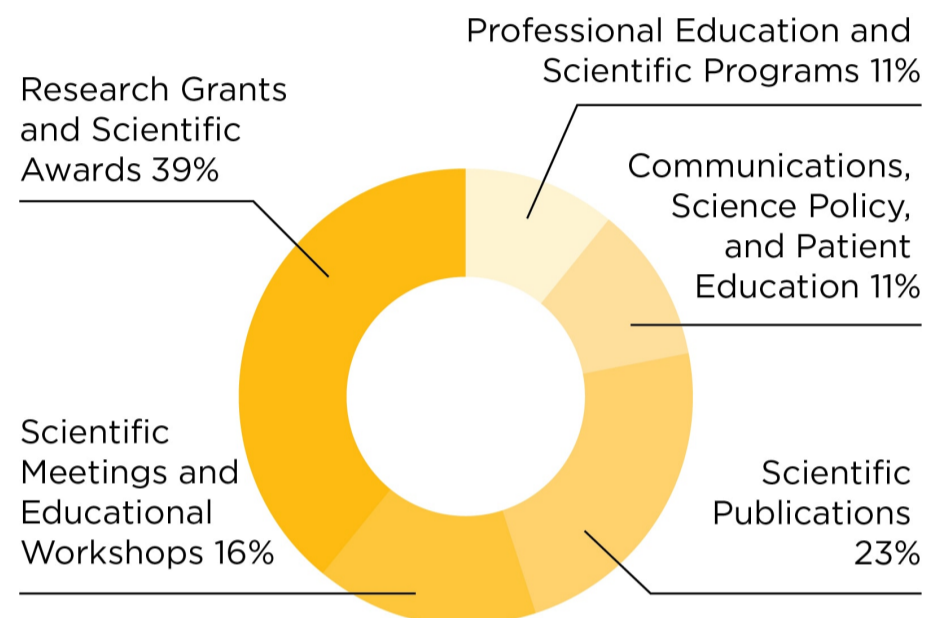

## SECTIONS &gt;

As a result of the financial performance for the year 2021, the AACR's net unrestricted net assets are now \$155 million. These positive financial results allow the AACR to continue strategic investments in its mission-driven activities to prevent and cure all cancers.

## 2021 TOTAL EXPENSES

## 2021 PROGRAM EXPENSES

Note: Totals may not equal 100% due to rounding.
