Maine Surface Finishing Limited

Annual Report and Financial Statements

for the Year Ended 31 December 2020

THURSDAY

JNI 30/09/2021 #60
COMPANIES HOUSE

Maine Surface Finishing Limited

Directors' Report for the Year Ended 31 December 2020

The directors present their report and the financial statements for the year ended 31 December 2020.

Director of the company

The directors who held office during the year were as follows:

Mr Adrian Dixon

Mrs Beverley Dixon

Mr Eugene Dixon

Director's responsibilities

The directors acknowledge their responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to the auditors

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information. The directors confirm that there is no relevant information that they know of and of which they know the auditors are unaware.

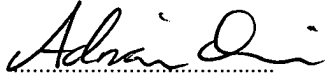

Reappointment of auditors

The auditors Stevenson and Wilson are deemed to be reappointed under section 487(2) of the Companies Act 2006.

Maine Surface Finishing Limited

Directors' Report for the Year Ended 31 December 2020

Approved and authorised by the Board on 23 September 2021 and signed on its behalf by:

Mr Adrian Dixon
Director

Mr Eugene Dixon
Director

Maine Surface Finishing Limited

Strategic Report for the Year Ended 31 December 2020

The directors present their strategic report for the year ended 31 December 2020.

Principal activities

The principal activities of the company include the provision of sub-contract fabrications and assembly services and application of industrial coatings.

Fair review of the business

The company's key financial and other performance indicators during the year were as follows:

Financial KPIs	Unit	2020	2019
Turnover	£	10,131,928	15,232,527
Turnover movement	%	(33)	20
Gross profit margin	%	23	28
Profit / (loss) before tax	£	(518,656)	1,251,344

In March 2020, following the temporary closure of the production facilities of a number of its key customers in response to the COVID-19 global pandemic, the company suspended all operations, placing the majority of its workforce on furlough, utilising the support of the Coronavirus Job Retention Scheme provided by the UK Government. Business activities recommenced in mid-May. This period of closure and subsequent reduced demand led to a reduction in turnover and resulted in the company making a loss for the financial year. Current year trading has shown positive results and turnover and employee numbers are now in excess of pre pandemic levels. The directors therefore believe the company is adequately positioned and resourced to deal with any challenges that will potentially arise as a result of the pandemic.

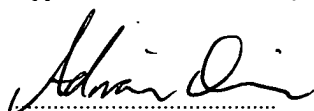

Principal risks and uncertainties

The board of directors are conscious of the financial risks arising from liquidity, credit, interest rate and exchange issues. These factors and their impact on the financial position of the company are regularly reviewed with controls implemented to reduce the exposure in these areas.

Research and development

The company continues to carry out research and development on a number of projects. These innovative projects will enable the company to continue to operate at the forefront of new technology.

Approved and authorised by the Board on 23 September 2021 and signed on its behalf by:

Mr Adrian Dixon
Director

Mr Eugene Dixon
Director

Maine Surface Finishing Limited

Independent Auditor's Report to the Members of Maine Surface Finishing Limited

Opinion

We have audited the financial statements of Maine Surface Finishing Limited (the 'company') for the year ended 31 December 2020, which comprise the Profit and Loss Account, Statement of Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Statement of Cash Flows, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2020 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Maine Surface Finishing Limited

Independent Auditor's Report to the Members of Maine Surface Finishing Limited

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Directors' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Directors report on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Maine Surface Finishing Limited

Independent Auditor's Report to the Members of Maine Surface Finishing Limited

We identified the laws and regulations applicable to the company through discussions with directors and key personnel, and from our own knowledge and experience of the hospitality industry. We focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Companies Act 2006 and taxation legislation, while also giving consideration to data protection regulations, employment law and health and safety legislation.

The engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations and the team remained alert to the possibility of fraud and non-compliance throughout the audit.

We assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur. We did so through discussions with management as to their assessment of areas where fraud or non-compliance might occur, as well as considering the internal controls in place to mitigate risks of fraud and non-compliance.

In order to ascertain the extent of compliance with the laws and regulations, we made enquiries of management as to whether there was any actual or potential litigation, we reviewed legal correspondence, we inspected tax correspondence and we performed analytical procedures to identify any unusual or unexpected activity.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Maine Surface Finishing Limited

Notes to the Financial Statements for the Year Ended 31 December 2020

1 General information

The company is a private company limited by share capital, incorporated in Northern Ireland.

The address of its registered office is:

42 Galdanagh Road

Dunloy

Co Antrim

BT44 9DB

Northern Ireland

These financial statements were authorised for issue by the Board on 23 September 2021.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements were prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Turnover is shown net of sales/value added tax, returns, rebates and discounts.

The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities.

Tax

The tax expense for the period comprises current and deferred tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

Deferred tax is recognised in respect of all timing differences between taxable profits and profits reported in the financial statements.

Unrelieved tax losses and other deferred tax assets are recognised when it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date and that are expected to apply to the reversal of the timing difference, except for revalued land and investment property where the tax rate that applies to the sale of the asset is used.

Maine Surface Finishing Limited

Notes to the Financial Statements for the Year Ended 31 December 2020

Tangible assets

Tangible assets (other than Land and Buildings) are stated in the balance sheet at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

Asset class	Depreciation method and rate
Buildings	10% per annum straight line basis
Plant and machinery	25% per annum straight line basis
Motor vehicles	25% per annum straight line basis
Office equipment	25% per annum straight line basis

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Short-term debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the income statement in operating expenses.

Stock and work in progress

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost is determined using the first-in, first-out (FIFO) method.

The cost of finished goods and work in progress comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. At each reporting date, stocks are assessed for impairment. If stocks are impaired, the carrying amount is reduced to its selling price less costs to complete and sell; the impairment loss is recognised immediately in profit or loss.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Profit and Loss Account over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Maine Surface Finishing Limited

Notes to the Financial Statements for the Year Ended 31 December 2020

Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee.

Assets held under finance leases are recognised at the lower of their fair value at inception of the lease and the present value of the minimum lease payments. These assets are depreciated on a straight-line basis over the shorter of the useful life of the asset and the lease term. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation.

Lease payments are apportioned between finance costs in the Profit and Loss Account and reduction of the lease obligation so as to achieve a constant periodic rate of interest on the remaining balance of the liability.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

Dividends

Dividend distribution to the company's shareholders is recognised as a liability in the financial statements in the reporting period in which the dividends are declared.

Defined contribution pension obligation

A defined contribution plan is a pension plan under which fixed contributions are paid into a pension fund and the company has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised as employee benefit expense when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

3 Revenue

The analysis of the company's revenue for the year from continuing operations is as follows:

	2020	2019
	£	£
Sale of goods and services	10,131,928	15,232,527
CJRS grants received for direct employees	531,771	-
	<u>10,663,699</u>	<u>15,232,527</u>

Maine Surface Finishing Limited

Notes to the Financial Statements for the Year Ended 31 December 2020

4 Other operating income

The analysis of the company's other operating income for the year is as follows:

	2020 £	2019 £
Government grants including CJRS for indirect employees	158,951	135,000
Miscellaneous other operating income	33,170	-
	<u>192,121</u>	<u>135,000</u>

5 Other gains and losses

The analysis of the company's other gains and losses for the year is as follows:

	2020 £	2019 £
Gain/loss on disposal of property, plant and equipment	<u>43,400</u>	<u>521</u>

6 Operating (loss)/profit

Arrived at after charging/(crediting)

	2020 £	2019 £
Depreciation expense	773,694	720,080
Profit on disposal of property, plant and equipment	<u>(43,400)</u>	<u>(521)</u>

7 Interest payable and similar expenses

	2020 £	2019 £
Interest on bank overdrafts and borrowings	5,883	9,572
Interest on obligations under finance leases and hire purchase contracts	<u>40,106</u>	<u>43,003</u>
	<u>45,989</u>	<u>52,575</u>

Maine Surface Finishing Limited

Notes to the Financial Statements for the Year Ended 31 December 2020

8 Staff costs

The aggregate payroll costs (including directors remuneration) were as follows:

	2020	2019
	£	£
Wages and salaries	3,742,832	4,439,015
Social security costs	342,271	409,549
Pension Costs	77,153	82,468
	<u>4,162,256</u>	<u>4,931,032</u>

The average number of persons employed by the company (including directors) during the year, analysed by category was as follows:

	2020	2019
	No.	No.
Production	128	150
Administration and support	33	37
	<u>161</u>	<u>187</u>

9 Directors' remuneration

The directors' remuneration for the year was as follows:

	2020	2019
	£	£
Remuneration	<u>30,000</u>	<u>30,000</u>

Maine Surface Finishing Limited

Notes to the Financial Statements for the Year Ended 31 December 2020

10 Taxation

Tax charged/(credited) in the income statement

	2020 £	2019 £
Current taxation		
UK corporation tax	(182,463)	182,464
UK corporation tax adjustment to prior periods	<u>-</u>	<u>(170,952)</u>
	(182,463)	11,512
Deferred taxation		
Arising from origination and reversal of timing differences	<u>(151,418)</u>	<u>39,052</u>
Tax (receipt)/expense in the income statement	<u><u>(333,881)</u></u>	<u><u>50,564</u></u>

The tax on profit before tax for the year is the same as the standard rate of corporation tax in the UK (2019 - the same as the standard rate of corporation tax in the UK) of 19% (2019 - 19%).

The differences are reconciled below:

	2020 £	2019 £
(Loss)/profit before tax	<u>(518,656)</u>	<u>1,251,292</u>
Corporation tax at standard rate	(98,545)	237,745
Tax increase from effect of capital allowances and depreciation	39,842	22,748
Tax decrease from effect of adjustment in research and development tax credit	<u>(275,178)</u>	<u>(209,929)</u>
Total tax (credit)/charge	<u><u>(333,881)</u></u>	<u><u>50,564</u></u>

Deferred tax

Deferred tax assets and liabilities

	Liability £
2020	
Deferred tax - capital allowances	-
Deferred tax - revaluation of property	<u>195,391</u>
	<u><u>195,391</u></u>
2019	
Deferred tax - capital allowances	151,418
Deferred tax - revaluation of property	<u>-</u>
	<u><u>151,418</u></u>

Maine Surface Finishing Limited
