OUR GROUP

ANTICIPATING OUR CUSTOMERS' NEEDS

By offering smart solutions for a world on the move, Hutchinson is helping to make mobility safer, more comfortable and sustainable, today and tomorrow. Our Group combines innovation and operational excellence to meet customer needs on land, in the air and at sea.

Customers looking to improve comfort, safety and energy efficiency rely on Hutchinson smart solutions to meet their most challenging requirements. Our innovations cover a wide variety of particularly demanding markets, from automotive and aerospace to defense, energy, rail and industry.

A LEADER WITH EXPERTISE IN MULTIPLE AREAS

Hutchinson is a global leader in vibration control, fluid management and sealing technologies. With 38,000 employees in 25 countries, we generated revenues of €4.400 billion in 2022. Our main goal is guaranteeing the comfort and safety of all Hutchinson customers.

A SOURCE OF EXPERTISE-DRIVEN SYNERGIES

Our Group stands out by offering a wide range of expertises in a variety of markets. In other words, our teams can design customized materials and integrated solutions for each customer and our achievements in one market can be transferred to others through Hutchinson synergies. Cross-fertilization is the cornerstone of our excellence.

Together, we design smart solutions for a world on the move.
