SPECIAL (STPL) Group is a sister group of PTC (A Joint Venture Co. of F-Tech, Japan) established in 1992. It achieved ISO: 9000 in 1999, QS: 9000 in 2002 and ISO/TS-16949:2002 in 2004. Presently group is having Stamping range from 10 ton to 315 ton alongwith suitable range of Spot, Projection, Mig & Tig Welding machines. In order to meet increased customer requirements for close delivery points we have manufacturing facilities in Sahibabad, Ghaziabad, Pune & Halol (Gujrat) with yearly turnover of 75 crores and 500 employees. Moving one more step towards automation, all four units are being loaded with ERP system.
