If the remaining amount is at least $10 billion in regulatory assets under management, complete Question (a). End of year refers to the date used to calculate your regulatory assets under management for purposes of your *annual updating amendment* . Mid-year is the date six months before the end of year date. Each column should add up to 100% and numbers should be rounded to the nearest percent.

Investments in derivatives, registered investment companies, business development companies, and pooled investment vehicles should be reported in those categories. Do not report those investments based on related or underlying portfolio assets. Cash equivalents include bank deposits, certificates of deposit, bankers' acceptances and similar bank instruments.

Some assets could be classified into more than one category or require discretion about which category applies. You may use your own internal methodologies and the conventions of your service providers in determining how to categorize assets, so long as the methodologies or conventions are consistently applied and consistent with information you report internally and to current and prospective clients. However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

Item 11 Disclosure Information

In this Item, we ask for information about your disciplinary history and the disciplinary history of all your *advisory affiliates*. We use this information to determine whether to grant your application for registration, to decide whether to revoke your registration or to place limitations on your activities as an investment adviser, and to identify potential problem areas to focus on during our on-site examinations. One event may result in "yes" answers to more than one of the questions below. In accordance with General Instruction 5 to Form ADV, "you" and "your" include the *filing adviser* and all *relying advisers* under an *umbrella registration*.

Your *advisory affiliates* are: (1) all of your current *employees* (other than *employees* performing only clerical, administrative, support or similar functions); (2) all of your officers, partners, or directors (or any *person* performing similar functions); and (3) all *persons* directly or indirectly *controlling* you or *controlled* by you. If you are a "separately identifiable department or division" (SID) of a bank, see the Glossary of Terms to determine who your *advisory affiliates* are.

If you are registered or registering with the SEC or if you are an exempt reporting adviser, you may limit your disclosure of any event listed in Item 11 to ten years following the date of the event. Item 12 Small Businesses

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than $25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of *clients*. In determining your or another *person's* total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

Because Schedule R does not provide for State Securities Authority notice filings, responses on behalf of the Relying Advisers are included in Item 2.C. In Item 5.A, the adviser has indicated that it has 760 employees. This number is the total number of employees of the Filing Adviser and the Relying Advisers. Certain employees of the adviser, companies organized for participation by employees of the adviser ("employee companies"), former employees of the adviser and a placement agent to one of the adviser's private investment funds are non-managing members in one or more of the affiliated investment advisers listed in Section 7.A. Such employees, employee companies, former employees and placement agent receive a profits interest in such affiliated investment advisers. The minimum investment amounts indicated in section 7.B.(1)12 are all subject to waiver by the relevant board of directors, managing member or general partner. With respect to the private funds which indicated the use of one or more marketers in item 7.B.(1)28, a number of these marketers are no longer actively marketing the private fund(s) to investors but have been included since they are still receiving fees for those investors which are still invested in the private fund(s). With respect to Item 8.A(1), the adviser does not generally sell securities to or purchase securities from its clients; however, the adviser may enter into (and has entered into) transactions with clients in order to effect an orderly wind down of an investment vehicle or for similar dispositions. With respect to Item 8.A(2), the adviser has indicated "yes" to reflect the fact that the adviser's employees are permitted to trade in exchange-traded funds.
