Welcome To North Florida Shipyards

North Florida Shipyards, Inc. (NFSY) has been operating in ship repair and conversion since 1977. Our two facilities, located in downtown Jacksonville and Mayport Naval Station, are dedicated to providing both our commercial and government clients with cost-effective vessel conversion, dry-docking and repair services.

NOW HIRING

North Florida Shipyards, Inc. is on the lookout for experienced Welders, Structural Fitters and Pipefitters. Must be of second class or higher. If you are interested in any of these positions, visit our Careers tab or contact HR at 904-354-3278 (ext. 229).
