# NOW HIRING!

[We are adding more XPERTs to our team! Click Here!](#)

## ***XPERTs MAKING AN IMPACT***

We are Xcited to announce that Ibis Tek is now **XPER!** XPER is the XPERT in the Protective Armor industry. We continue to offer high quality, innovated products and services for defense and protection. We are increasing our focus on developing, manufacturing, testing, and upfitting products to protect our men and women in uniform.

**PROTECTIVE SERVICES**

The latest transparent and opaque armor systems to field-tested and proven patrol vehicle bumpers, lighting and other accessories.

# *CAREERS AT XPER*

## BE AN XPERT

---

At XPER, we strive to provide a safe and professional work environment for our employees. No matter the position, we are a team and we collaborate as a team. We are proud of the fulfilling work that we do here every day in designing and manufacturing products that help protect our military and our communities. We especially welcome veterans and military service members for their XPERience and XPERTise.

We are currently hiring motivated, skilled professionals.
