INDEPENDENT AUDITORS' REPORT

To the Board of Directors of,
SMA Healthcare, Inc.:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of SMA Healthcare, Inc. (the Organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of SMA Healthcare, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Controller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SMA Healthcare, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combining financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combining financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combining financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, State Financial Assistance and State Matching of Federal Awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Section 215.97, Florida Statutes, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of

America. In our opinion, the Schedule of Expenditures of Federal Awards, State Financial Assistance and State Matching of Federal Awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 7, 2022, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering SMA Healthcare, Inc.'s internal control over financial reporting and compliance.

Acquisition of long-term debt through acquisition of the Centers	1,903,893	-

The accompanying notes to the financial statements
are an integral part of these statements.

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(1) Summary of Significant Accounting Policies:

The following is a summary of the more significant accounting policies and practices of SMA Healthcare, Inc. (the Organization), which affect significant elements of the accompanying financial statements.

(a) **Nature of activities**—The Organization provides services including, but not limited to, mental health services, substance abuse prevention, chemical dependency treatment, delinquency rehabilitation programs, and primary care. The Organization operates programs located in Volusia, Flagler, Putnam, Marion and St. Johns Counties.

(b) **Basis of accounting**—The Organization follows standards of accounting and financial reporting prescribed for voluntary health and welfare agencies. It uses the accrual basis of accounting, which recognizes revenue when earned and expenses as incurred. Federal, State, and local government and public grants are recorded as support when performance occurs under the terms of the grant agreement.

The costs of providing the various programs and other activities have been detailed in the statements of functional expenses and summarized on a functional basis in the statements of activities. Salaries and other expenses which are associated with a specific program are charged directly to that program. Salaries and other expenses which benefit more than one program are allocated to the various programs based on the relative benefit provided. Program administration and other supporting services expenses are allocated to the various programs based on each program's direct revenues.

(c) **Basis of presentation**—Net assets, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets without Donor Restrictions—Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets with Donor Restrictions—Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

(d) **Measure of operations**—The Organization's change in net assets from operations include all operating revenues and expenses which are an integral part of its programs and supporting activities, and net assets released from donor restrictions to support operating expenditures to support current operating activities. The measure of operations excludes contributions, donations, and expenses for in-kind pharmaceuticals as well as contributions for capital projects.

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(1) **Summary of Significant Accounting Policies:** (Continued)

(e) **Cash and cash equivalents**—For purposes of the statements of cash flows, the Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

(f) **Federal and state grants receivable**—Grants receivable consist of amounts due to the Organization from governmental units under the terms of various grant contracts. Due to the nature of these agencies, no allowance for uncollectible amounts has been established.

(g) **Local grants and contracts receivable**—Contracts receivable consist primarily of amounts due to the Organization from governmental units and taxing authorities under the terms of various contracts and are stated at the amount management expects to collect from outstanding balances. Due to the nature of these agencies, no allowance for uncollectible amounts has been established.

(h) **Client accounts receivable**—Client accounts receivable consist primarily of receivables from third parties and clients and are stated at net realizable value. Accounts receivable are stated at the amount management expects to collect from outstanding balances. The Organization does not charge late fees or interest on past due receivables. Balances still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance and a credit to client accounts receivable. Allowance for uncollectible receivables totaled \$1,721,212 at June 30, 2022, and there was no allowance as of June 30, 2021 and 2020, respectively. Receivables from contracts with customers are reported as client accounts receivable, net in the accompanying statements of financial position. At June 30, 2022, 2021, and 2020 client accounts receivable totaled \$2,219,162, \$960,482, and \$893,827, respectively.

(i) **Inventory**—Inventory is largely comprised of medicines purchased for resale on behalf of clients and donated inventory for clients approved for the Patient Assistance Program administered by pharmaceutical companies. Inventory is valued at current purchase prices, which approximates cost on the specific identification method.

(j) **Investments**—Investments are stated at fair value, with the exception of certificates of deposit which are recorded at cost plus accrued interest, which approximates fair value. Investment return/(loss) is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses. Investment income is accounted for as unrestricted revenue unless it is restricted for a specified purpose by the donor.

(k) **Property and equipment**—The Organization capitalizes all expenditures and donations in excess of \$2,500 for property and equipment. However, funding sources may maintain an equitable interest in the property purchased with grant monies as well as the right to determine the use of any proceeds from the sale of these assets. The State of Florida has a reversionary interest in those assets purchased with its funds which have a cost of \$1,000 or more and an estimated useful life of at least one year. The Federal Government has a reversionary interest in any assets purchased with its funds which have a cost of \$5,000 or more and an estimated useful life of at least one year. The County of Volusia contributed land and building with a reversionary interest if the property is not used as a residential treatment facility. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation.

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(1) **Summary of Significant Accounting Policies:** (Continued)

Depreciation is computed using the straight-line method over the following estimated useful lives:

Buildings and improvements	5 – 40 years
Furniture and equipment	3 – 25 years
Vehicles	3 – 5 years

(l) **Deferred revenue**—Deferred revenue, if any, primarily consists of advances received for contracted programs and fundraising events that apply to future periods. Contract liabilities are reported as deferred revenue in the accompanying consolidated statements of financial position. At June 30, 2022, no deferred revenue was recorded. At June 30, 2021 and 2020 deferred revenue totaled \$32,500 and \$170,000, respectively.

(m) **Revenue and Revenue Recognition**—We recognize contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

The Organization bills federal, state, and local governmental entities and clients for services provided. Revenue is recognized when fees are declared and billed. All charges for services revenue (Medicaid, Medicare, pharmacy, client fees and insurance reimbursements) is recognized as performance obligations are satisfied, which is at a point in time when the services are provided.

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as without donor restricted grant revenue when the Organization has met performance requirements and incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures or meeting other conditional performance requirement barriers are reported as refundable advances in the statement of financial position. The Organization received amounts in advance under state and local contracts and grants of \$1,590,730 that have not been recognized at June 30, 2022, because qualifying expenditures have not yet been incurred. There were \$924,562 of such advances as of June 30, 2021.

(n) **Donated materials and services**—The Organization recognizes donated materials and services that create or enhance non-financial assets or that require skills, which are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donations. Donated materials and services that meet the above criteria are recognized as revenues and are reported in the accompanying financial statements at their estimated fair value at the time of receipt.

(o) **Client fee revenue**—The Organization bills for services at various amounts based on payment arrangements. A summary of payment arrangements is as follows:

Charity Care—the Organization provides care to its clients who meet certain criteria under its discount policy based on a sliding scale as required by its contracts with the Florida Department of Children & Families. Accordingly, the portion of the fee for service, which qualifies as a discount, is not reported as client fee revenue.

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(1) **Summary of Significant Accounting Policies:** (Continued)

Non-Medicaid—includes amounts due from patients and insurance companies for services rendered. Revenue is recorded at the amount due from the client, and is net of any discount given.

Medicaid—the portion of charge reimbursed by Medicaid. The difference between the Organization's standard charge and the amount allowed by Medicaid is not recorded as revenue. The Organization bills Medicaid at Medicaid established rates for eligible services performed. Services rendered are reimbursed by Medicaid subject to specific documentation requirements. Compliance audits are conducted periodically by the Medicaid fiscal intermediaries, as well as the Organization's corporate compliance program, which can result in the recoupment of fees paid to the Organization.

(p) **Advertising costs**—All costs associated with advertising and promoting the Organization are expensed in the year incurred. For the years ended June 30, 2022 and 2021, advertising costs were approximately \$59,000 and \$16,000, respectively.

(q) **Income taxes**—The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, except for taxes on unrelated business income. Since the Organization had no taxable unrelated business income during the years ended June 30, 2022 and 2021, no provision for income taxes is provided in the financial statements.

Management of the Organization considers the likelihood of changes by taxing authorities in its filed income tax returns and recognizes a liability for or discloses potential significant changes that management believes are more likely than not to occur, including changes to the Organization's status as a not-for-profit entity. Management believes the Organization met the requirements to maintain its tax-exempt status and has no income subject to unrelated business income tax, therefore no provision for income taxes has been provided in these financial statements. The Organization's income tax returns for the past three years are subject to examination by tax authorities, and may change upon examination.

(r) **Use of estimates**—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(s) **Subsequent events**—The Organization has evaluated events and transactions for potential recognition or disclosure in the financial statements through December 7, 2022, the date the financial statements were available to be issued. No subsequent events have been recognized or disclosed.

(t) **Reclassification**—Certain prior year amounts have been reclassified to conform to the current year presentation.

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(1) **Summary of Significant Accounting Policies:** (Continued)

(u) **Recently issued accounting pronouncements**—The Financial Accounting Standards Board (FASB) and other entities issued new or modifications to, or interpretations of existing accounting guidance during the year. The Organization has considered the new pronouncements that altered accounting principles generally accepted in the United States of America, and other than as disclosed in the notes to the financial statements, does not believe that any other new or modified principles will have a material impact on the Organization's reported financial position or operations in the near term.

In February 2016, FASB issued Accounting Standards Update (ASU) 2016-02, *Leases (Topic 842)*. ASU 2016-02 established the principles that lessees and lessors shall apply to report useful information to users of financial statements about the amount, timing, and uncertainty of cash flows arising from a lease. ASU 2016-02 is effective to the Organization for fiscal years beginning after December 15, 2021, with earlier adoption permitted. The effects of this change are still being determined.

(2) **Liquidity and Availability:**

The Organization strives to maintain liquid financial assets sufficient to cover general expenditures. Financial assets in excess of daily cash requirements are invested. Financial assets available for general expenditures, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

	2022	2021
Cash and cash equivalents	\$ 9,207,666	\$ 8,411,294
Federal and state grants receivable	8,831,964	3,505,450
Local grants and contracts receivable	2,400,139	1,023,550
Client accounts receivable	2,219,162	960,482
	<u>\$ 22,658,931</u>	<u>\$ 13,900,776</u>

(3) **Investments:**

Generally accepted accounting principles require disclosure of an estimate of fair value of certain financial instruments. The Organization's financial instruments consist principally of cash and cash equivalents, certificates of deposit, grants and other receivables, and other short-term assets and liabilities. For these financial instruments, carrying values approximate fair value. The fair value of a financial instrument is the amount that would be received in an asset sale or paid to transfer a liability in an orderly transaction between unaffiliated market participants.

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(3) Investments: (Continued)

Assets and liabilities measured at fair value are categorized based on whether the inputs are observable in the market and the degree that the inputs are observable. The categorization of financial instruments within the valuation hierarchy is based on the lowest level of input that is significant to the fair value measurement. The hierarchy is prioritized into three levels (with Level 3 being the lowest) defined as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities that the entity has the ability to access.

Level 2: Observable inputs other than prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated with observable market data.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. This includes certain pricing models, discounted cash flow methodologies, and similar techniques that use significant unobservable inputs.

Investments held by the Organization at June 30, 2022 and 2021, consisted of mutual funds and certificates of deposit with maturities within five years of the balance sheet date and are unrestricted. The fair value of the majority of the Organization's cash equivalents was determined based on Level 1 inputs. Investments in marketable securities with readily determinable fair values are reported at fair value in the accompanying statements of financial position. Mutual funds are valued using Level 1 inputs, which are based on unadjusted quoted market prices within active markets. Certificates of deposit are recorded at cost plus accrued interest, which approximates fair value. There have been no changes in Level 1, Level 2, and Level 3, and no changes in valuation techniques for these assets or liabilities for the years ended June 30, 2022 and 2021.

At June 30, investments consisted of the following:

Description	Quoted Prices (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Fair Value
June 30, 2022:				
Registered investment companies:				
Money Market	\$ 216,741	\$ -	\$ -	\$ 216,741

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(3) Investments: (Continued)

The following schedule summarizes the investment income for the years ended June 30:

	<u>2022</u>	<u>2021</u>
Interest income	\$ 5,909	\$ 970
Dividends on long-term investments	190,101	128,344
Unrealized gain (loss)	(1,033,686)	283,053
Realized gains (losses)	<u>122,260</u>	<u>101,069</u>
Total investment income	<u>\$ (715,416)</u>	<u>\$ 513,436</u>

(4) Property and Equipment:

Property and equipment consists of the following at June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Land	\$ 3,535,651	\$ 2,028,535
Buildings and improvements	40,693,744	23,076,862
Furniture and equipment	5,993,958	4,827,169
Vehicles	<u>1,802,532</u>	<u>1,695,724</u>
	52,025,885	31,628,290
Less: Accumulated depreciation	<u>19,636,182</u>	<u>17,391,968</u>
	<u>\$ 32,389,703</u>	<u>\$ 14,236,322</u>

For the years ended June 30, 2022 and 2021, depreciation expense was \$2,407,459 and \$1,531,868.

(5) Long-term Debt:

Long-term debt consisted of the following at June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Note payable to a financial institution, payable in monthly installments of \$12,671 including interest at 3.50%, final payment due May 2024, collateralized by land and buildings.	\$ 281,269	\$ 420,642
Note payable to a financial institution, payable in monthly installments of \$10,325 including interest at 4.41%, final payment due March 2032, collateralized by land and buildings.	-	1,057,269
Note payable to a financial institution, payable in monthly installments of \$29,852 including interest of 2.90%, final payment due November 2031, collateralized by land and buildings	<u>2,966,875</u>	<u>-</u>

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(5) **Long-term Debt:** (Continued)

Aggregate principal payments on long-term debt in the succeeding years are due as follows:

Year Ending June 30,	Amount
2023	\$ 419,066
2024	419,503
2025	291,268
2026	299,949
2027	308,888
Thereafter	1,509,470
	<u>\$ 3,248,144</u>

(6) **Obligations Under Capital Lease:**

The Organization leases certain equipment and property under capital leases. The economic substance of these leases is that the Organization is financing the acquisition of the assets through the leases and, accordingly, the assets are recorded along with a corresponding liability.

The following is an analysis of leased assets included in property and equipment at June 30:

	2022	2021
Equipment	\$ 1,449,871	\$ 784,190
Vehicles	300,854	269,750
Less: Accumulated depreciation	960,951	454,170
	<u>\$ 789,774</u>	<u>\$ 599,770</u>

The following is a schedule by year of future minimum payments required under the leases together with their present value as of year-end:

Year Ending June 30,	Amount
2023	\$ 396,845
2024	198,725
2025	95,498
2026	28,547
2027	-
Total minimum lease payments	719,615
Less: Amounts representing interest ranging from 1.39%-26.74%	40,917
Present value of minimum lease payments	678,698
Less: Current portion of obligations under capital lease	370,302
Obligations under capital lease, net of current portion	<u>\$ 308,396</u>

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(7) Lines of Credit:

The Organization has obtained a \$1,000,000 line of credit beginning in August 2012. The line of credit was renewed during the year and expires on February 15, 2024. The line had no outstanding balance as of June 30, 2022 and 2021. Advances under the line of credit accrue interest at the Prime Rate (3.25% at June 30, 2022) plus 0.25%. Any advances under the line of credit were collateralized by substantially all cash and investment assets of the Organization.

(8) Net Assets With Donor Restrictions:

As discussed in Note (13), the Organization had net assets with donor restrictions from a beneficial interest in assets held by the Foundation. The Organization had the following net assets with donor restrictions at June 30:

	<u>2022</u>	<u>2021</u>
Purpose restricted – Foundation	\$ 5,830,877	\$ 6,510,957
In perpetuity- Foundation	321,773	408,717
Total	<u>\$ 6,152,650</u>	<u>\$ 6,919,674</u>

(9) Donated Services:

Donated services are recognized at values consistent with those amounts which would be paid to salaried personnel for similar services. During the year, the Volusia County School Board provided educators for the Department of Juvenile Justice programs. These services would have had to be purchased if not provided. For the years ended June 30, 2022 and 2021, contributions for these services of \$0 and \$172,596, respectively, were recognized as a contribution in the accompanying statements of activities.

(10) Non-Recognized Contributions:

During the years ended June 30, 2022 and 2021, respectively, a substantial number of volunteers provided approximately 13,000 and 10,000 hours of service performing maintenance, administrative, and program assistance services. These services are valued at approximately \$394,000 and \$277,000, respectively; however, they were not recognized as a contribution in the accompanying statement of activities as they do not meet recognition criteria prescribed by generally accepted accounting principles.

(11) Employee Retirement Plans:

The Organization has a contributory defined contribution retirement plan qualifying under the provisions of Internal Revenue Service Code Section 403(b) covering substantially all employees. Contribution expense is determined in accordance with the plan formula. For the years ended June 30, 2022 and 2021, the employer matched employee contributions at 100% up to 3% of salary, then 50% up to 6% of salary. Eligibility requirements for the plan include provisions which require employees to have one year of service and work 1,000 hours per year. For the years ended June 30, 2022 and 2021, pension expense was \$842,619 and \$774,823, respectively.

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(11) **Employee Retirement Plans:** (Continued)

The Organization also has a deferred compensation plan qualifying under the provisions of Internal Revenue Code Section 457(b), covering a select group of management or highly compensated employees, which is not matched with employer contributions. As of June 30, 2022 and 2021, plan assets totaled \$65,305 and \$95,116, respectively.

(12) **Operating Leases:**

The Organization has entered into various operating leases for administrative space, counseling, and treatment centers. The following is a schedule by year of future minimum lease payments under operating leases as of June 30, 2022, that have initial or remaining lease terms in excess of one year:

Year Ending June 30,	Amount
2023	\$ 565,246
2024	555,494
2025	556,159
2026	545,333
2027	372,175
Thereafter	1,473,333
	<u>\$ 4,067,740</u>

For the years ended June 30, 2022 and 2021, rent expense was \$506,404 and \$468,876, respectively.

(13) **Related Party Transactions:**

On September 29, 1997, the Stewart-Marchman Foundation, Inc. was formed and name was changed effective September 11, 2018, to SMA Healthcare Foundation, Inc. (the Foundation). The purpose of this Foundation is to seek and receive planned and/or outright gifts whose earnings can be used to promote and support only SMA Healthcare, Inc.'s activities. The beneficial interest in the assets held by the Foundation is adjusted annually to reflect changes in the net assets of the Foundation and as of June 30, 2022 and 2021, totaled \$6,152,650 and \$6,919,674, respectively. There was \$26,506 receivable from the Foundation as of June 30, 2022. There was no amount receivable from the Foundation as of June 30, 2021.

The Organization also leases a building owned by the Foundation for the Vince Carter Sanctuary treatment center. For the years ended June 30, 2022 and 2021, the total amount of rent expense related to the Foundation was \$260,000. There were no amounts payable to the Foundation as of June 30, 2022 and 2021. The lease expires December 2028 and provides for annual base rent of \$260,000, payable monthly at \$21,666. The base rent is based upon the debt payment the Foundation is required to make per the Vince Carter Sanctuary's bond documents. If the Foundation's debt service payments are paid in whole or in part by third party grants or donations for that purpose, the base rent shall be adjusted accordingly to reflect such grants or donations. If the Foundation's debt service payments under the bond documents are increased, the base rent shall immediately be increased by the amount of the increase in debt service payments. Regardless of any provision in this lease, the base rent for this lease shall never be below \$60,000 annually, payable monthly at \$5,000.

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(13) Related Party Transactions: (Continued)

The Foundation awarded one-time uses of Foundation monies to benefit the Organization during the year. During the years ended June 30, 2022 and 2021, these monies totaled \$335,644 and \$197,822, respectively. At June 30, 2021, \$104,575 was included in net assets with donor restrictions for amounts awarded from the Foundation. There were no such restricted amounts as of June 30, 2022.

During the year ended June 30, 2022, one vehicle was purchased from a company related to two board members totaling \$22,808.

(14) Concentrations:

Significant concentrations of the Organization are as follows:

(a) **Concentration of revenue**—During the years ended June 30, 2022 and 2021, revenues were derived from the following agencies as a percentage of total revenues, respectively:

	<u>2022</u>	<u>2021</u>
Federal and state agencies	68%	63%
Local grants and contracts	20%	20%
Client fees and insurance reimbursements	11%	13%

(b) **Concentration of business risk**—The Organization is highly dependent on contracts, which reimburse the Organization for its services. These contracts are executed with various state, local, and other entities. Each of these contracts is subject to change. Significant changes to any of these contracts could have a material impact on the Organization's financial statements and its ability to comply with laws, rules, regulations, and contract provisions.

(c) **Concentrations of credit risk**—The Organization manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, no losses have been experienced in any of these accounts. Credit risk associated with accounts receivable is considered to be limited due to high historical collection rates of net accounts receivable and because substantial portions of the outstanding amounts are due from governmental agencies. Investments are made by investment managers whose performance is monitored by the Board of Directors. Although the fair values of investments are subject to fluctuation on a year-to-year basis, the Organization believes the investment policies and guidelines are prudent for the long-term welfare of the Organization.

(15) Equity Investments:

The Organization, along with similar not-for-profits across the State, invested \$50,000 on January 28, 2020, for 25 shares of stock in Behavioral Health Partners of Florida, LLC. The company was formed as a Florida limited liability company to invest in and be a 50% member in Integrated Care Network of Florida, LLC, a Delaware limited liability company. Integrated Care Network of Florida, LLC will operate a behavioral health independent practice association that will contract with managed care insurance plans to provide behavioral health services through contracted providers. As of June 30, 2022, there has been no other additional activity in Behavioral Health Partners of Florida, LLC. The investment of \$40,375, which approximates fair value, is shown as an equity investment on the accompanying statements of financial position.

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(15) Equity Investments: (Continued)

The Organization acquired 15 shares of stock in Florida Premier Health Plan, Inc. (FPHP) during its acquisition of the Centers on July 1, 2021. The Centers, along with similar not-for-profits across the State, invested \$10,000 during the year ended June 30, 2008, for 10 shares of stock in FPHP. FPHP was formed as a for-profit corporation by the Florida Council for Community Mental Health, Inc. (a not-for-profit organization) to organize a provider service network. During the year ended June 30, 2010, an additional 5 shares were purchased at a cost of \$5,000. As of June 30, 2022 and 2021, there has been no other additional activity in FPHP and the investment of \$15,000, which approximates fair value, is shown as an equity investment on the accompanying statements of financial position.

Investments in equity securities of nonpublic entities without readily determinable fair values are carried at cost minus impairment, if any, plus or minus changes resulting from observable price changes in orderly transactions for the identical or a similar investment of the same issuer and totaled \$55,375 as of June 30, 2022. The Organization reviews its equity securities without readily determinable fair values on a regular basis to determine if the investment is impaired. For purposes of this assessment, the Organization considers the investee's cash position, earnings and revenue outlook, liquidity and management ownership, among other factors, in its review. If management's assessment indicates that an impairment exists, the Organization estimates the fair value of the equity investment and recognizes in current earnings an impairment loss that is equal to the difference between the fair value of the equity investment and its carrying amount. There was no deemed impairment for the year ended June 30, 2022.

(16) Commitments, Contingencies, and Uncertainties:

The Organization leases property from the State of Florida Department of Education, located at Willis Avenue, Daytona Beach, Florida. Prior to October 2020, the Organization leased this property for an annual rent of \$1 per parcel in previous years. In October 2020, a new sublease agreement was signed for this property under which the Organization will pay \$25,000 per year in monthly installments of \$2,083.33. This lease will expire in October 2070, at which point the buildings and improvements made on the property will revert back to the lessor.

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the Federal government and the State of Florida. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Organization expects such amounts, if any to be immaterial.

The Organization is involved in various claims against the Organization arising in the normal course of business. Management believes that their insurance coverage will be sufficient to pay any liabilities that may be incurred.

SMA HEALTHCARE, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

(17) Grants and Match Requirements:

The Organization has entered into agreements to provide services on a reimbursement of allowable cost basis with certain agencies. In addition, one agreement has a requirement that a specified amount of federal program activities be funded by matching funds from specified sources. The Organization is subject to audit by the granting agencies and, if these audits are unfavorable, the agencies can require a refund of a portion of the contracts. It is management's opinion that the terms of the agreements have been substantially met and costs submitted for reimbursements are allowable under the agreements.

The Organization receives a substantial portion of its support directly and passed-through from the United States Government and the State of Florida. Under certain terms of these contracts, expenditures for funded program services could exceed the amount of the grant.

Management believes that the matching requirements were met, as expenditures for programs funded by the grant exceeded the amount required to receive the maximum amount of reimbursement.

(18) Acquisition of The Centers:

On July 1, 2021, the Organization acquired the net assets of The Centers, Inc. in Marion County, another not-for-profit provider of mental health services, substance abuse prevention, chemical dependency treatment, delinquency rehabilitation programs, and primary care. There was no consideration paid for the acquisition. The following table summarizes the amounts of the assets acquired and liabilities assumed recognized at the acquisition date:

Recognized amounts of identifiable assets acquired and liabilities assumed:	
Cash and cash equivalents	\$ 2,919,852
Investments	1,167,309
Receivables	2,310,374
Inventory	72,837
Prepaid expenses and other assets	114,231
Property and equipment, net	19,435,935
Accounts payable and accrued expenses	(1,758,043)
Refundable advances	(400,000)
Long-term debt	(1,903,893)
Obligations under capital lease	(568,958)
Other liabilities	(9,647)
Total identifiable net assets	<u>\$ 21,379,997</u>

The Organization recognized a gain of \$21,379,997 as a result of the acquisition. The gain is included in other income in the Organization's statement of activities for the year ended June 30, 2022.

SMA HEALTHCARE, INC.
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS,
STATE FINANCIAL ASSISTANCE, AND STATE MATCHING OF FEDERAL AWARDS
FOR THE YEAR ENDED JUNE 30, 2022

(1) Basis of Presentation:

The accompanying Schedule of Expenditures of Federal Awards, State Financial Assistance and State Matching of Federal Awards include federal award and state financial assistance activity of SMA Healthcare, Inc. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Section 215.97, Florida Statutes. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

(2) Summary of Significant Accounting Policies:

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts, if any, shown on the schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior year

Pass-through entity identifying numbers are presented where available.

No amounts were passed through to subrecipients during the fiscal year ended June 30, 2022.

(3) De Minimis Indirect Cost Rate Election:

SMA Healthcare, Inc. did not elect to use the 10% de minimis indirect cost rate as covered in §200.414, *Indirect (F&A) costs*, of the Uniform Guidance.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND EACH MAJOR STATE PROJECT AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

To the Board of Directors of,
SMA Healthcare, Inc.:

Report on Compliance for Each Major Federal Program and Each Major State Project

Opinion on Each Major Federal Program and Major State Project

We have audited SMA Healthcare, Inc.'s (the Organization) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* and the requirements described in the Department of Financial Services' *State Projects Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs and major state projects for the year ended June 30, 2022. The Organization's major federal programs and major state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, SMA Healthcare, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and major state projects for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program and Major State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of SMA Healthcare, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and major state project. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs and state projects.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program and major state project as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as items 2022-001 and 2022-002. Our opinion on each major federal program and state project is not modified with respect to these matters. *Government Auditing Standards* requires the auditor to perform limited procedures on the Organization's response to the noncompliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. The Organization's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant

deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be significant deficiencies.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as items 2022-001 and 2022-002, to be significant deficiencies.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed. *Government Auditing Standards* requires the auditor to perform limited procedures on the Organization's response to the internal control over compliance findings identified in our audit described in Management's Response to Findings on page 37. The Organization's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Section 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

SMA HEALTHCARE, INC.
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED JUNE 30, 2022

I. Summary of Auditors' Results:

Financial Statements:

Type of audit report issued on the financial statements: *Unmodified*

Internal control over financial reporting:

Material weakness(es) identified? _____ yes X no

Significant deficiency(ies) identified? _____ yes X none reported

Noncompliance material to financial statements noted? _____ yes X no

Federal Awards:

Internal control over major Federal programs:

Material weakness(es) identified? _____ yes X no

Significant deficiency(ies) identified? X yes _____ none reported

Type of auditors' report issued on compliance for major Federal programs: *Unmodified*

Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)? X yes _____ no

Identification of major Federal programs:

<u>AL Number</u>	<u>Program Name</u>
93.958	Block Grants for Community Mental Health Services
93.959	Block Grants for Prevention and Treatment of Substance Abuse
93.788	Opioid STR

Dollar threshold used to distinguish between type A and type B Federal programs: \$750,000

Auditee qualified as low-risk auditee? X yes _____ no

State Financial Assistance:

Internal control over major State projects:

Material weakness(es) identified? _____ yes X no

Significant deficiency(ies) identified? _____ yes X none reported

Type of auditors' report issued on compliance for major State projects: *Unmodified*

Any audit findings disclosed that are required to be reported for state financial assistance projects? _____ yes X none reported

SMA HEALTHCARE, INC.
SCHEDULE OF FINDINGS AND QUESTIONED COSTS (Continued)
FOR THE YEAR ENDED JUNE 30, 2022

I. Summary of Auditors' Results: (Continued)

Dollar threshold used to distinguish between type A and
type B State projects: \$750,000

Identification of major State projects:

<u>CSFA Number</u>	<u>Program Name</u>
60.163	Centralized Receiving Systems

II. Financial Statement Findings:

No financial statement findings were noted.

III. Federal Programs and State Projects Findings and Questioned Costs:

2022-001 – ALN 93.958 – Block Grant for Community Mental Health Services – Activities Allowed/Allowable Costs: Delinquent Comprehensive Assessment (New Comment)

Criteria: The Block Grant for Community Mental Health Services provides for a set of documentation requirements for clients in the covered programs, including the completion of a seven-part comprehensive assessment for clients in the FACT program. This form is required to be completed when clients are discharged after being provided mental health services. Activities allowed for the FACT program require a seven-part comprehensive assessment be completed fully within sixty days of client admission into the program

Condition: The full seven-part comprehensive assessment required for FACT clients was not completed within 60 days of client admission into the program for 1 of the 60 individuals tested.

Cause: The requirement to perform this control element within 60 days was overlooked by the case managers.

Effect: The seven-part comprehensive assessments that were not completed within the required timeframe could result in noncompliance with the grant agreement.

Recommendation: We recommend that the process be changed so that all seven-part comprehensive assessments required for FACT clients be completed for all patients within 60 days.

2022-002 – ALN 93.959 – Block Grant for Prevention and Treatment of Substance Abuse – Activities Allowed/Allowable Costs: Financial Assessment Form (Repeat Comment)

Criteria: The Block Grant for Prevention and Treatment of Substance Abuse provides for a set of documentation requirements for clients in the program, including the completion of a Financial Assessment Form to document activities allowed. This form is required to be completed when clients are discharged after being provided mental health services.

Condition: Financial Assessment Forms were not properly completed for 1 of the 60 clients tested.

Cause: The requirement to perform this control element was overlooked by the case managers.

Effect: The missing Financial Assessment Forms could result in noncompliance with the grant agreement.

SMA HEALTHCARE, INC.
SCHEDULE OF FINDINGS AND QUESTIONED COSTS (Continued)
FOR THE YEAR ENDED JUNE 30, 2022

Recommendation: We recommend that the process be reviewed and staff be trained and have regular training updates to ensure that the required Financial Assessment Forms are completed for all clients.

IV. Prior Audit Findings:

See Schedule of Prior Audit Findings on page 36.

V. Corrective Action Plan:

See Management's Response to Findings on page 37.

VI. Management Letter:

No management letter pursuant to Sections 215.97(9)(f) and 215.97(10)(d), Florida Statutes is required since there are no items related to state financial assistance required to be reported in the management letter, not already reported in this schedule.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of,
SMA Healthcare, Inc.:

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of SMA Healthcare, Inc. (the Organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated December 7, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether SMA Healthcare, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

December 7, 2022

Management Response to Auditor Findings:

Recommendation: 2022-001 Delinquent Comprehensive Assessment

One part of the delinquent seven-part comprehensive assessment was completed outside of the 60-day requirement. This appears to be the result of staff oversight. As a corrective action, all FACT team staff responsible for completion of the assessment will be retrained on a recurring basis. We feel as though the current process to review compliance is comprehensive. SMA's internal clinical compliance department conducts routine audits. When conducting audits of the FACT program, the compliance staff members review charts for compliance with the comprehensive assessments. The results of those internal audits are reviewed at the Process Improvement Committee where program managers are required to present a corrective action plan if charts do not meet a pre-set compliance threshold. The clinical compliance results are also presented to the Quality Program Review subcommittee of the board. Furthermore, the FACT program directors are responsible for monitoring documentation timeframes to ensure that when new clients are admitted to the program, documentation is completed timely.

Recommendation: 2022-002 Financial Assessment Documentation

Our internal tracking of completion of the financial assessment form indicates that compliance with this requirement occurs about 98% of the time. Obtaining the client signature on the form has been challenging, particularly during recent years as use of telehealth services has expanded. As a corrective action, SMA will include completion of the assessment form compliance results to be reviewed at the monthly Process Improvement Committee. Program managers are required to present a corrective action plan when results are out of compliance with the standard. In addition, SMA will develop a procedure to allow staff to document receipt of verbal approval of the completed financial assessment form when the client is unable to be present at service location site.

Thank you,

Eric Horst
Chief Financial Officer
