Overview

HKS is a global firm of architects, designers, planners and advisors who create places noted for their beauty and performance. Our 1,500 people in 26 offices are united by the belief that an environmental, social and governance approach to design achieves design excellence. We value honesty, diversity and inclusion and we celebrate creative thinking. In partnership with our clients and collaborators, we craft powerful ideas and solutions. Together we create places that stand apart.

Recent Accolades

- Fast Company Most Innovative Companies, Architecture 2022
