**1. Accounting policies**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with the provisions of Section 1A of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical costs convention as modified by the revaluation of certain assets.

**Revenue recognition**

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

**Research and development**

Expenditure on research and development is written off in the year in which it is incurred.

**Intangible assets**

Revaluation of the trade marks and intellectual property rights was carried out in 2012 based on a report requested by the director on the fair market value of such rights where there is a willing buyer.

**Property, plant and equipment**

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Plant and machinery	15% Reducing balance
Computer equipment	25% Reducing balance

**Government grants**

Government grants received are credited to deferred income. Grants towards capital expenditure are released to the profit and loss account over the expected useful life of the assets. Grants received towards revenue expenditure are released to the profit and loss account as the related expenditure is incurred.

**Inventories**

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving items. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.
