## MEMBERS' REPORT FOR THE YEAR ENDED 31 MARCH 2024

The members present their report and financial statements for the year ended 31 March 2024.

### Principal activities and review of the business

Foresight Group LLP ("the LLP") is a leading independent investment manager in the United Kingdom. It is part of the wider Foresight group with £12.1 billion (2023: £12.2 billion) of assets under management, raised from institutional investors, family offices, private and high net-worth individuals.

The results for the period and the financial position at the period end were considered satisfactory by the members. The members expect continued growth in the foreseeable future.

The LLP's turnover and profit for the financial year before members' remuneration and profit shares were £102,147,063 (2023: £90,381,840) and £32,177,471 (2023: £28,163,924) respectively.

### Going concern

These financial statements have been prepared on the going concern basis.

The members of the LLP have considered the resilience of the LLP, taking into account its current financial position and the principal and emerging risks facing the business. The members reviewed the LLP's cash flow forecasts and trading budgets for a period of 12 months from the date of approval of these accounts as part of their overall review of the LLP's three-year plan, and concluded that, taking into account plausible downside scenarios that could reasonably be anticipated, the LLP will have sufficient funds to pay its liabilities as they fall due for that period. Taking into consideration the impact of inflation and the wider economic environment, the forecasts have been stress tested to ensure that a robust assessment of the LLP's working capital and cash requirements has been performed. The stress test scenarios adopted involved severe but plausible downside scenarios with respect to the LLP's trading performance. Downside scenarios included a material reduction in revenues through 50% lower fundraising, 25% lower deployment and 10% reduction in valuation of the funds managed by the LLP. Any mitigating actions available to protect working capital and strengthen the statement of financial position, including deferring non-essential capital expenditure and increased cost control, were also taken into account.

In considering the above, the members have formed the view that the LLP will generate sufficient cash to meet its ongoing liabilities as they fall due for at least the next 12 months; accordingly, the going concern basis of preparation has been adopted.

### Designated members

The following designated members have held office since 1 April 2023 until the date of this report:

G Fraser  
Foresight Holdco 2 Limited  
D M Hughes

### Policy on members' drawings and capital

Ordinary and participating members are entitled to a Tier One profit share with the balance remaining being allocated to the corporate member subject to the regulatory capital requirement of the LLP. Each member is entitled to draw their Tier One profit share except at the discretion of the Executive Committee in respect of ordinary members if there are insufficient operating profits to cover such payment.

Each member who does not have significant influence is required to contribute ordinary capital into the LLP of an amount equal to at least 25% of anticipated Tier One profit share for the following accounting period. Any further capital required by the LLP shall be provided by the corporate member. Ordinary capital is only repaid on resignation of the member, the winding up of the LLP, if any excess capital has been contributed or following an ordinary resolution.

### Regulatory disclosures

The LLP will be documenting and making available the disclosures required by the FCA under MIFIDPRU 8 later in 2024 and these will be available on the Foresight Group website or from the registered office.

### Statement of members' responsibilities

The members are responsible for preparing the members' report and the financial statements in accordance with applicable law and regulations.

The Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008 require the members to prepare financial statements for each financial year. Under these regulations the members have elected to prepare the LLP financial statements in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under these regulations the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of the profit or loss for that year.

In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

# FORESIGHT GROUP LLP

## MEMBERS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

### Statement of members' responsibilities (continued)

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions, disclose with reasonable accuracy at any time the financial position of the LLP, and enable them to ensure that the financial statements comply with the Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Statement as to disclosure of information to auditors

All of the members as at the date of this report have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information. The members are not aware of any relevant audit information of which the LLP's auditor is unaware.

On behalf of the members

G Fraser  
Designated member  
24 July 2024

# FORESIGHT GROUP LLP

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FORESIGHT GROUP LLP

### Opinion on the financial statements

In our opinion, the financial statements:

- give a true and fair view of the state of the Limited Liability Partnership's affairs as at 31 March 2024 and of its profit for the year then ended;
- have been properly prepared in accordance with UK-adopted IFRS recognition and measurement principles, together with FRS 101 "Reduced Disclosure Framework" (FRS 101); and
- have been prepared in accordance with the requirements of the Companies Act 2006 applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008.

We have audited the financial statements of Foresight Group LLP ("the Limited Liability Partnership") for the year ended 31 March 2024 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 Reduced Disclosure Framework.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Independence

We are independent of the Limited Liability Partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Members' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Limited Liability Partnership's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Members with respect to going concern are described in the relevant sections of this report.

### Other information

The Members are responsible for the other information. The other information comprises the information included in the Members report and financial statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Other Companies Act 2006 reporting as applied to limited liability partnerships

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 as applied to limited liability partnerships requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### Responsibilities of Members

As explained more fully in the Members' responsibilities statement, the Members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Members are responsible for assessing the Limited Liability Partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Members either intend to liquidate the Limited Liability Partnership or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high

## FORESIGHT GROUP LLP

### INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF FORESIGHT GROUP LLP

level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

#### *Extent to which the audit was capable of detecting irregularities, including fraud*

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on:

- Our understanding of the Limited Liability Partnership and the industry in which it operates;
- Discussion with management and those charged with governance; and
- Obtaining and understanding of the Limited Liability Partnership's policies and procedures regarding compliance with laws and regulations;

we considered the significant laws and regulations to be the applicable accounting framework (Financial Reporting Standard 101 Reduced Disclosure Framework (United Kingdom Generally Accepted Accounting Practice)) and the Companies Act 2006 as applied to Limited Liability Partnerships.

The Limited Liability Partnership is also subject to laws and regulations where the consequence of non-compliance could have a material effect on the amount or disclosures in the financial statements, for example through the imposition of fines or litigations. We identified such laws and regulations to be UK tax legislation and those as a result of being regulated by the FCA.

Our procedures in respect of the above included:

- Review of minutes of meeting of those charged with governance for any instances of non-compliance with laws and regulations;
- Review of correspondence with tax and regulatory authorities for any instances of non-compliance with laws and regulations;
- Review of financial statement disclosures and agreeing to supporting documentation;
- Involvement of tax specialists in the audit; and
- Review of legal expenditure accounts to understand the nature of expenditure incurred.

#### *Fraud*

We assessed the susceptibility of the financial statements to material misstatement, including fraud. Our risk assessment procedures included:

- Enquiry with management and those charged with governance regarding any known or suspected instances of fraud;
- Obtaining an understanding of the Limited Liability Partnership's policies and procedures relating to:
  - Detecting and responding to the risks of fraud; and
  - Internal controls established to mitigate risks related to fraud.
- Review of minutes of meeting of those charged with governance for any known or suspected instances of fraud;
- Discussion amongst the engagement team as to how and where fraud might occur in the financial statements;
- Performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud; and
- Considering remuneration incentive schemes and performance targets and the related financial statement areas impacted by these.

Based on our risk assessment, we considered the areas most susceptible to fraud to be revenue recognition for the NAV-based revenue streams and management override of controls.

Our procedures in respect of the above included:

- Testing a sample of journal entries throughout the year, which met a defined risk criteria, by agreeing to supporting documentation;
- Assessing significant estimates made by management for bias, particularly in relation to the net asset values of funds which drive management and secretarial fees; and
- Identifying any journal entries in respect of net asset value adjustments which were posted outside the expected quarterly period end and assessing the reason for these.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members who were all deemed to have appropriate competence and capabilities and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

## FORESIGHT GROUP LLP

### INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF FORESIGHT GROUP LLP

#### Use of our report

This report is made solely to the Limited Liability Partnership's Members, as a body, in accordance with the Chapter 3 of part 16 of the Companies Act 2006 as applied by Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008. Our audit work has been undertaken so that we might state to the Limited Liability Partnership's Members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Limited Liability Partnership and the Limited Liability Partnership's Members as a body, for our audit work, for this report, or for the opinions we have formed.

# FORESIGHT GROUP LLP

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

### 1. Accounting policies

#### 1.1. Limited liability partnership information

Foresight Group LLP is a limited liability partnership incorporated in England and Wales. The registered office is C/O Foresight Group LLP, The Shard, 32 London Bridge Street, London, SE1 9SG.

The LLP's principal activities are disclosed in the Members' report.

#### 1.2. Accounting convention

These financial statements have been prepared in accordance with UK-adopted IFRS recognition and measurement principles, together with FRS 101 "Reduced Disclosure Framework" ("FRS 101") which allows individual companies in a group to take advantage of exemptions from various disclosures. These financial statements are also in compliance with the Companies Act 2006 as applied by the Partnership and the Statement of Recommended Practice ("SORP"), Accounting by Limited Liability Partnerships, issued in December 2021.

The disclosure exemptions adopted by the LLP in accordance with FRS 101 are as follows:

- the requirements of paragraphs 45(b) and 46 to 52 of IFRS 2 Share-based Payment;
- the requirements of paragraphs 62, B64(d), B64(e), B64(g), B64(h), B64(j) to B64(m), B64(n)(ii), B64(o)(ii), B64(p), B64(q)(ii), B66 and B67 of IFRS 3 Business Combinations;
- the requirements of paragraph 33(c) of IFRS 5 Non Current Assets Held for Sale and Discontinued Operations;
- the requirements of paragraph 24(b) of IFRS 6 Exploration for and Evaluation of Mineral Resources;
- the requirements of IFRS 7 Financial Instruments: Disclosures;
- the requirements of paragraphs 91 to 99 of IFRS 13 Fair Value Measurement;
- the requirements of paragraph 52, the second sentence of paragraph 89, and paragraphs 90, 91 and 93 of IFRS 16 Leases; the requirements of paragraph 58 of IFRS 16;
- the requirements of the second sentence of paragraph 110 and paragraphs 113(a), 114, 115, 118, 119(a) to (c), 120 to 127 and 129 of IFRS 15 Revenue from Contracts with Customers;
- the requirement in paragraph 38 of IAS 1 Presentation of Financial Statements to present comparative information in respect of:
  - paragraph 79(a)(iv) of IAS 1;
  - paragraph 73(e) of IAS 16 Property, Plant and Equipment;
  - paragraph 118(e) of IAS 38 Intangible Assets;
  - paragraphs 76 and 79(d) of IAS 40 Investment Property; and
  - paragraph 50 of IAS 41 Agriculture;
- the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D and 111 of IAS 1 Presentation of Financial Statements;
- the requirements of paragraphs 134 to 136 of IAS 1 Presentation of Financial Statements;
- the requirements of IAS 7 Statement of Cash Flows;
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors;
- the requirements of paragraph 74A(b) of IAS 16 Property, Plant and Equipment;
- the requirements of paragraphs 17 and 18A of IAS 24 Related Party Disclosures;
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more wholly-owned members of a group; and
- the requirements of paragraphs 130(f)(ii), 130(f)(iii), 134(d) to 134(f) and 135(c) to 135(e) of IAS 36 Impairments of Assets.

New accounting standards applicable for the current year did not have a material impact on the financial statements.

Where required, equivalent disclosures are given in the group accounts of Foresight Group Holdings Limited. The group accounts of Foresight Group Holdings Limited are available to the public as set out in note 22.

The financial statements are prepared in sterling, which is the functional currency of the LLP. Monetary amounts in these financial statements are rounded to the nearest £. The financial statements have been prepared on the historical cost convention, except for investments and contingent consideration that have been measured at fair value. The principal accounting policies adopted are set out below.

#### 1.3. Exemption from preparation of consolidated financial statements

The financial statements contain information about the LLP as an individual entity and do not contain consolidated financial information as the parent of a group. The LLP has taken advantage of the exemption conferred by s400 of the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008 not to produce consolidated financial statements as it is included in the consolidated accounts of Foresight Group Holdings Limited.

## FORESIGHT GROUP LLP

### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

#### 1. Accounting policies (continued)

##### 1.4. Going concern

These financial statements have been prepared on the going concern basis.

The members of the LLP have considered the resilience of the LLP, taking into account its current financial position and the principal and emerging risks facing the business. The members reviewed the LLP's cash flow forecasts and trading budgets for a period of 12 months from the date of approval of these accounts as part of its overall review of the LLP's three-year plan, and concluded that, taking into account plausible downside scenarios that could reasonably be anticipated, the LLP will have sufficient funds to pay its liabilities as they fall due for that period. Taking into consideration the impact of inflation and the wider economic environment, the forecasts have been stress tested to ensure that a robust assessment of the LLP's working capital and cash requirements has been performed. The stress test scenarios adopted involved severe but plausible downside scenarios with respect to the LLP's trading performance. Downside scenarios included a material reduction in revenues through 50% lower fundraising, 25% lower deployment and 10% reduction in valuation of the funds managed by the LLP. Any mitigating actions available to protect working capital and strengthen the statement of financial position, including deferring non-essential capital expenditure and increased cost control, were also taken into account.

In considering the above, the members have formed the view that the LLP will generate sufficient cash to meet its ongoing liabilities as they fall due for at least the next 12 months; accordingly, the going concern basis of preparation has been adopted.

##### 1.5. Turnover

The principal components of revenue which fall within the scope of IFRS 15 comprise management fees, secretarial fees, director's fees, arrangement fees and performance incentive fees.

Management fees and most secretarial fees are generally based on a percentage of fund Net Asset Value ("NAV") or committed capital as defined in the funds' prospectus and/or offering documents, with some secretarial fees being based on an agreed fixed rate. Directors' fees are based on a specified fixed fee agreed with the customer.

Management, secretarial and directors' fees are recognised over time to the extent that it is probable that there will be economic benefit and income can be reliably measured. This revenue is recognised over time on the basis that the customer simultaneously receives and consumes the economic benefits of the provided asset as the LLP performs its obligations.

Arrangement fees are based on a set rate agreed with the customer and recognised when the related service obligations have been achieved.

Performance incentive fees are based on the returns achieved over a predetermined threshold as defined in the funds' prospectus or offering documents and are recognised only at the point in time when management have certainty as to the receipt of such revenue, such that it is highly probable that a significant reversal in the amount of revenue recognised will not occur and when the fees can be measured reliably.

Other income is based on the contract agreed before services are provided and is recognised in line with the delivery of the services provided.

# FORESIGHT GROUP LLP

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

### 1. Accounting policies (continued)

#### 1.6. Members' participating interests

Members' participation rights are the rights of a member against the LLP that arise under the members' agreement (for example, in respect of amounts subscribed or otherwise contributed remuneration and profits).

Members' participation rights in the earnings or assets of the LLP are analysed between those that are, from the LLP's perspective, either a financial liability or equity, in accordance with IAS 32. A member's participation rights including amounts subscribed or otherwise contributed by members, for example members' capital, are classed as liabilities unless the LLP has an unconditional right to refuse payment to members, in which case they are classified as equity.

All amounts due to members that are classified as liabilities are presented within 'Loans and other debts due to members' and, where such an amount relates to current year profits, they are recognised within 'Members' remuneration charged as an expense' in arriving at the relevant year's result. Undivided amounts that are classified as equity are shown within 'Members' other interests'. Amounts recoverable from members are presented as debtors and shown as amounts due from members within members' interests.

#### 1.7. Intangible fixed assets

Goodwill arises through business combinations and represents the excess of the cost of acquisition over the LLP's interest in the fair value of the identifiable assets, liabilities and contingent liabilities of a business at the date of acquisition. Goodwill is recognised as an asset and measured at cost less accumulated impairment losses. It is allocated to groups of cash-generating units, which represent the lowest level at which goodwill is monitored for internal management purposes. Cash-generating units are identified as the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets and are no larger than the LLP's operating segments.

Intangible assets in respect of customer contracts (acquired) reflect the fair value of the investment management contracts obtained, which is equal to the present value of the earnings they are expected to generate. This is on the basis that it is probable that future economic benefits attributable to the investment management contracts will flow to the LLP and the fair value of the intangible asset can be measured reliably. These intangible assets are subsequently carried at the amount initially recognised less accumulated amortisation, which is calculated using the straight-line method over their estimated useful lives.

Computer software (internally generated) represents software licences and development costs to bring software into use. Costs associated with developing or maintaining computer software programmes that do not meet the capitalisation criteria under IAS 38 are recognised as an expense as incurred. Computer software is carried at cost less accumulated amortisation.

Amortisation is provided, where material, at rates calculated to write off the cost, less estimated residual value, of each asset evenly using a straight-line method over its estimated useful life (charged through administrative expenses) as follows:

- Customer contracts over remaining term of investment management contract
- Computer software over four to five years

The carrying values of customer contracts (acquired) and computer software (internally generated) are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the LLP estimates the recoverable amount of the cash-generating unit to which the asset belongs. Recoverable amount is the higher of fair value less costs to sell and value in use. If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised as an expense in the statement of comprehensive income immediately.

The LLP is required to test, on an annual basis, whether goodwill has suffered any impairment by estimating the recoverable amount of the CGU or group of CGUs the goodwill is allocated to. Any impairment is recognised immediately in profit or loss and is not subsequently reversed. On disposal of a subsidiary, associate or jointly controlled entity, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of comprehensive income.

#### 1.8. Tangible fixed assets and depreciation

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Short leasehold property	—	Over the term of the lease
Fixtures, fittings and equipment	—	20% / 50% on a straight line basis
Motor vehicles	—	25% on a straight line basis

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset and is recognised in the statement of comprehensive income.

# FORESIGHT GROUP LLP

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

### 1. Accounting policies (continued)

#### 1.9. Investments in subsidiaries

Investments in subsidiaries are all held at cost less impairment in the financial statements of the LLP.

#### 1.10. Assets recognised for costs to fulfil a contract

The LLP may enter into placement agency agreements with providers who will seek to raise investor monies. Where placement agency fees are incremental to obtaining, extending or modifying a contract with a customer, these fees are capitalised and then amortised on a systematic basis consistent with the pattern of transfer of the services to which the asset relates. Where placement agency fees are not considered to be incremental, these are expensed as they are incurred. Capitalised placement fees are included within assets recognised for costs to fulfil a contract. Retainer amounts paid to placement agents are recognised as an asset. Where the placement agent is successful in obtaining a contract with a customer, the retainer amounts are offset against the gross placement agency fees when incurred. If unsuccessful, the retainer amounts are expensed.

#### 1.11. Financial instruments

##### a) Trade and other debtors/ trade and other creditors

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors. For trade debtors this is because they meet the criteria set out under IFRS 9, being assets held within a business model that give rise to contractual cash flows and are solely payments of principal and interest ("SPPI"). Trade debtors are stated after accounting for any impairment losses. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of interest for a similar debt instrument.

##### b) Cash at bank and in hand

Cash at bank and in hand comprise cash at banks and on hand and other short-term highly liquid investments with a maturity of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

##### c) Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries are shown at fair value through profit and loss.

##### d) Contingent consideration

Contingent consideration payable is measured at fair value at acquisition and assessed annually with particular reference to the conditions upon which the consideration is contingent. Fair value movements in the year are recognised in the statement of comprehensive income.

#### 1.12. Employee benefits

The LLP operates a defined contribution pension plan. A defined contribution plan is a pension plan under which the LLP pays fixed contributions to a third party. The LLP has no legal or constructive obligations to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

The LLP has no further payment obligations once the contributions have been paid. The contributions are recognised as an employee benefit expense when they are due.

#### 1.13. Share-based payments

The LLP recognises share-based payment transactions in respect of the FGHL (see note 22) Performance Share Plan and UK Share Incentive Plan as the subsidiary which receives services from certain employees and members who participate in the plans. Employees and members are granted the right to either shares or options over shares, subject to certain vesting conditions and exercise prices. These have been accounted for as equity settled share-based payments.

The fair value of the awards granted in the form of shares or share options is recognised as an expense over the appropriate performance and vesting period. The corresponding credit is recognised in retained earnings within total equity.

The fair value of the awards is calculated using an option pricing model, the principal inputs being the market value on the date of award and an adjustment for expected and actual levels of vesting which includes estimating the number of eligible employees and members leaving the LLP and the number of employees and members satisfying the relevant performance conditions. Shares and options vest on the occurrence of a specified event under the rules of the relevant plan.

# FORESIGHT GROUP LLP

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

### 1. Accounting policies (continued)

#### 1.14 Judgements and key sources of estimation uncertainty

In the application of the LLP's accounting policies, the members are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

#### Key sources of estimation uncertainty

The estimates and assumptions which have a significant risk of causing material adjustment to the carrying amount of assets and liabilities are as follows:

#### **Share-based payments grant date fair value**

FGHL's Performance Share Plan allows for the grant of nil cost options with vesting dependent on the performance of the FGHL Group and continued service by the participant which are both estimations. There have been three annual grants of options under the plan as approved by the FGHL Remuneration Committee. The current year grant of options have been fair valued using a Monte-Carlo simulation and appropriate retention rate percentage based on historical evidence. The LLP regularly reviews its estimation of the number of eligible employees leaving the LLP but this is not considered to be significant or material.

#### **Contingent consideration**

Contingent consideration reflects the LLP's best estimate of the amounts that are expected to be paid, discounted to their present value arising from the acquisition of Downing's technology ventures business. This is based on the updated AUM of the two VCT's whose investment mandates were acquired. The first anniversary payment of £1,221,000 was fully paid in October 2023. The potential undiscounted amount of all future payments that the Group could be required to make under the contingent consideration arrangement is between £nil and £2,784,000 (2023: £nil and £4,176,000).

#### **Impairment of intangible assets**

The LLP has reviewed the intangible assets at 31 March 2024 and concluded there are indicators of impairment for the customer contracts acquired in Downing's technology ventures business. The recoverable value was determined based on a value in use calculation using a discounted cash flow ("DCF") model derived from the budget for the next three years and does not include restructuring activities that the Group is not yet committed to or significant future investments that will enhance the performance of the customer contracts being tested.

#### **Limited estimation uncertainty - Revenue**

The NAVs which are used to calculate management fees are subject to the Group's fund Valuations Policy which sets out acceptable methodologies that may be applied in valuing a fund's investments. Each quarter, each Investment Manager or Valuations team values their investments in accordance with the guidelines of this policy, typically the International Private Equity and Venture Capital ("IPEV") Valuation Guidelines (December 2022) developed by the British Venture Capital Association and other organisations. Where appropriate, these valuations are also approved by the independent Boards of each fund and by the Group's valuation committee. As a result, there is no significant uncertainty or judgement in the amount of revenue to be recognised.

#### Key judgements

#### **Assets recognised for costs to fulfil a contract**

When deciding whether placement agency fees are incremental to obtaining, extending or modifying a contract with a customer, the LLP must consider whether an individual investor is the customer or whether the fund that the investor is investing into is the customer. Where the individual investor is the customer, the fees will be incremental. Where the customer is the fund, the fees for the individual investor would not be incremental.

#### **Impairment of intangible assets**

For intangible assets with finite useful lives, an assessment is made at each reporting date as to whether there is any indication that an asset in use may be impaired. There is significant management judgement in determining the appropriate internal and external factors to consider.

At 31 March 2024	525,945	4,557,450	—	5,083,395
<b>Net book value at 31 March 2024</b>	<b>130,433</b>	<b>9,689,404</b>	<b>2,975,403</b>	<b>12,795,240</b>

	Computer software £	Customer contracts £	Goodwill £	Total £
<b>Cost</b>				
At 1 April 2022	647,244	—	—	647,244
Additions	9,134	14,246,854	2,975,403	17,231,391
At 31 March 2023	656,378	14,246,854	2,975,403	17,878,635
<b>Amortisation/impairment</b>				
At 1 April 2022	394,572	—	—	394,572
Charge for the year	81,455	712,343	—	793,798
At 31 March 2023	476,027	712,343	—	1,188,370
<b>Net book value at 31 March 2023</b>	<b>180,351</b>	<b>13,534,511</b>	<b>2,975,403</b>	<b>16,690,265</b>

The impairment recognised on customer contracts in the period was £2,895,317 (2023: £nil) and is included in administrative expenses in the statement of comprehensive income. It arose as a result of NAV valuation decreases and lower fundraising than expected, leading to actual revenues being lower than originally forecast. The customer contracts have been written down to their recoverable amount being the higher of their fair value less costs to sell and value in use. The customer contracts have a remaining amortisation period of 13.3 years (2023: 14.3 years) on a straight-line basis.

## FORESIGHT GROUP LLP

### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

#### 15. Loans and other debts due to members

	31 March 2024	31 March 2023
	£	£
Loans due from members (note 12)	(1,040,000)	(8,098,995)

Loans due from members represent advances entered into with individual members.

In the event of a winding up the amounts included in "Loans and other debts due to members" will rank equally with unsecured creditors.

#### 16. Retirement benefit schemes

The LLP operates a defined contribution pension scheme for all qualifying employees. The assets of the scheme are held separately from those of the LLP in an independently administered fund.

	31 March 2024	31 March 2023
	£	£
Pension costs	1,197,337	811,104

There were no amounts owing at the year end.

#### 17. Lease obligations

	31 March 2024	31 March 2023
	£	£
Within one year (see note 13)	349,828	205,651
More than one year (see note 18)	1,727,475	1,523,108
	<b>2,077,303</b>	<b>1,728,759</b>

Lease obligations represent rentals payable by the LLP for the Cambridge, Edinburgh, Leeds, Durham, Dublin and Manchester office buildings. All leases are on a fixed repayment basis and no arrangements have been entered into for contingent rental payments. All leases are secured against their related assets.

The total cash outflow for the leases during the year was £463,860 (2023: £181,047).

#### 18. Creditors: amounts falling due after more than one year

	31 March 2024	31 March 2023
	£	£
Lease obligations falling due after more than one year (see note 17)	1,727,475	1,523,108
Contingent consideration	1,054,000	2,366,010
	<b>2,781,475</b>	<b>3,889,118</b>

#### 19. Provisions for liabilities

	31 March 2024	31 March 2023
	£	£
<b>Leasehold dilapidations</b>		
At beginning of period	66,553	93,025
Additions	16,769	—
Adjustment (see note 10)	—	(34,053)
Interest	3,889	7,581
At end of period	<b>87,211</b>	<b>66,553</b>

## FORESIGHT GROUP LLP

### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

#### 20. Commitments and contingencies

On 16 February 2024, the LLP signed an asset purchase agreement for the Healthcare share class of Thames Venture VCT 2 Plc. At 31 March 2024, the contract had not completed. Due to the exchange of contract the LLP has a commitment of the estimated initial consideration of £0.9 million and estimated deferred consideration of £0.3 million.

There were no other capital commitments or contingencies at 31 March 2024 or 31 March 2023.

Payments made under operating leases are disclosed in note 17.

#### 21. Events after the reporting date

There are no events to note.

#### 22. Control

The LLP's corporate member is Foresight Holdco 2 Limited, a company registered in England and Wales.

Foresight Holdco 2 Limited holds governance rights on behalf of Foresight Group Holdings Limited in a bare trust following a group restructuring that was undertaken on 18 March 2022. Foresight Holdco 2 Limited retains all other rights in the LLP.

The ultimate controlling party is Foresight Group Holdings Limited ("FGHL"), a company registered in Guernsey.

The smallest and largest group in which the results of the LLP are consolidated is that headed by Foresight Group Holdings Limited. Group financial statements are available at C/O Foresight Group LLP, The Shard, 32 London Bridge Street, London, United Kingdom, SE1 9SG.
