NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

1. General information

Responsive Access Limited is a private company limited by shares and is incorporated in Scotland. The address of the registered office is disclosed on the Company Information page. The company's principal trading activity is in relation to launch brokerage and consultancy services to the space industry.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The following principal accounting policies have been applied:

2.2 Going concern

At the balance sheet date the company had net liabilities of £4,695 (2022: £15,736). The financial statements are prepared on a going concern basis, considering that the Company relies on the financial support of the parent company to continue to meet its liabilities as and when they fall due for at least twelve months from the date of approval of the financial statements. The parent company has substantial cash reserves and is well equipped to provide adequate funding to the Company to ensure it maintains a sound financial situation and is in a position to meet its debt obligations for the foreseeable future.

2.3 Foreign currency translation

Functional and presentation currency

The Company's functional and presentational currency is GBP.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

2.4 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours.

2.5 Creditors

Short-term creditors are measured at the transaction price. Other financial liabilities are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.6 Financial instruments

The Company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in ordinary shares.
