Meet Jim Berlin

(<https://web.archive.org/web/20230702044953/https://www.logisticsplus.com/wp-content/uploads/2016/07/Jim-Berlin-Biography.pdf>) (Founder & CEO)

After a 20-year career in the less-than-truckload (LTL) industry, most of that time spent at TNT/USF Red Star, Jim founded Logistics Plus in 1996 with only three employees, one customer, and a \$120,000 purchase order. Though he is a New York City native, Jim has invested heavily in the community's economic development since relocating to Erie, PA. In 2003, he renovated the 80-year-old former train station and made it the company's global headquarters, and he actively participates in many civic initiatives. In addition to many [company awards \(https://web/20230702044953/https://www.logisticsplus.com/about-us/awards-recognition/\)](https://web.archive.org/web/20230702044953/https://www.logisticsplus.com/about-us/awards-recognition/), Jim has been honored as a *Most Admired CEO* by the Manufacturer and Business Association (MBA), and Ernst & Young (EY) recognized Jim as Western Pennsylvania's "Entrepreneur of the Year" in 2004. In 2005 he was named to the lifelong EY *Entrepreneur of the Year World Hall of Fame*. In addition to his company and community activities, Jim is also a member of the *Business Advisory Council* for the Federal Reserve Bank of Cleveland.
