# Chugach Ranked One of Alaska's Largest Businesses on 2025 Top 49ers List

**Anchorage, AK – For the 35th consecutive year, Chugach Alaska Corporation (Chugach) is honored to be recognized on Alaska Business magazine's annual Top 49ers List, which celebrates the largest Alaska-owned businesses ranked by gross revenue. Chugach earned the No. 10 position in 2025, reporting \$813.5 million in 2024 revenue – a 5% year-over-year increase – and demonstrating continued growth and resilience across its diversified portfolio of businesses.**

“Chugach’s journey is a story of adaptability, innovation, and purpose,” said Sheri Buretta, Chairman of the Board. “For more than five decades, we’ve built a foundation rooted in our Alaska Native heritage while embracing the opportunities of a rapidly changing world. Our continued presence among Alaska’s top businesses reflects not only the strength of our enterprise, but also the enduring values that guide every decision we make.”

Chugach’s consistently strong business performance has earned the corporation a place on the Top 49er list 35 times, starting with our debut at #36 in 1987, when we reported \$21.4 million in revenue. We’ve been on the list every year since 1995, and for the past 27 years, we’ve ranked among Alaska’s Top 10 companies. This remarkable record highlights the sustained strength and resilience of Chugach, as well as the enduring impact of all who have proudly worn a Chugach employee badge since the corporation’s founding in 1972.

“This accomplishment belongs to every employee, customer, and partner who has contributed to Chugach’s success,” said CEO Jonathan Dalrymple. “It measures where we stand today, but also serves as a springboard to where we’re headed next. That’s why growth sits at the center of our current strategic plan. We’re excited to continue expanding our capabilities, pursuing new opportunities, and delivering solutions that create lasting impact.”

As an Alaska Native Corporation, Chugach’s mission extends beyond financial performance. Profits are strategically reinvested to support shareholder programs, cultural initiatives, workforce development, and sustainable growth, fueling a 100-year vision for intergenerational prosperity and long-term impact.

President Katherine Carlton adds, “Beyond revenue, Chugach’s success is measured by the difference we make for our shareholders, the opportunities we create in our communities, and the legacy we’re building for future generations. Every milestone like this is a reminder of why we do what we do and who we do it for.”
