

Beacon Hill was founded to set a new standard in workforce consulting, professional staffing, project-delivery solutions and job placement.

# Our history

Assembled, funded and managed by the nation's most prominent industry leaders, Beacon Hill offers broad staffing capabilities backed by the experience of executives from global staffing conglomerates, premier local boutiques and large national firms. Beacon Hill intends to become the standard in the staffing industry by adapting progressively to changes in the marketplace, investing in its employees and staying true to its convictions and values of trust, honesty, decency and mutual respect.
